Schoolgirls selling virtual virginity to scumbag suckers in cyberspace

"Some girls have set up their own sites offering to sell soiled underwear and promising to meet certain men to hand them over for 5,000 yen provided a series of conditions have been met," the adult industry writer tells Shukan Taishu. "It's popular for girls to sell a 'karaoke and strip' course, where they'll meet a customer in a karaoke box or other secluded area, remove their undies for him and hand them over directly for the right price."
